DATELINE:

EMPLOYEE ACTIVITY QUESTIONNAIRE
November 12, 1971

Walt Disney World

This week you received a Recreational Questionnaire with your pay check. The purpose of this questionnaire is to help us measure your interest in various areas of employee activities. We need your help in getting started with what we hope to be the best and most complete program yet with a myriad of activities for our very special hosts and hostesses...so please fill out the questionnaire to the best of your ability and get it back as soon as possible. We need your help!

ALL HOSTS AND HOSTesses: Your ID's will again be honored through the month of November excluding Saturdays and Sundays. We hope that you will take advantage of this company benefit and enjoy all of the attractions in the Magic Kingdom.

ATTENTION PLEASE: Just a reminder to all employees that there are showcase bulletin boards in the areas of the Time Clock Station and the Lobby of the University in the ISC Building. These showcases are for your use and convenience...so please use them. They contain valuable information pertaining to housing, car sales, etc.

If you wish to use these bulletin boards, please contact Tom Murphy or Sally Johnson, extension 4744, at the University. Use of these boards without authorization is illegal.
THANK YOU.

We would appreciate your cooperation in maintaining good safety standards while riding the employee trams to and from the Fantasyland Basement. Please remember--remain seated at all times while the tram is in motion. It is hazardous for employees to enter or exit while the tram is moving.

The University of Walt Disney World has a service to try to refer employees to available housing in the Orlando area. The University also lists certain discounts on various items, such as automobiles, tires, batteries, and appliances of various kinds. This is in every sense a referral service only.

DID YOU KNOW...there are approximately 3 billion gallons of water in the Bay Lake and Seven Seas Lagoon water system.

REMEMBER...Dial 4500 -- Information in a Flash!
